

Welcome to the December edition of the List Premier Newsletter.

It has been a great year for List Premier receiving recognition not only in Australia but also in China and overseas for creating exceptional educational programs for schools and industry throughout the world.

This month's newsletter is, once again, filled with great stories that show case List Premier's achievements.

Awards & Recognition

On the 20th of October List Premier Education was awarded the

prestigious Information and Communication Technology Award at the Premier of Qld's Export Awards.

Johann (Prof. Dr. Johann DeBeer, Executive Chairman) received the award from Dr Ian Oppermann, Director of CSIRO's ICT Centre (sponsor) and the honourable Andrew Fraser MP Deputy Premier, Treasurer and Minister for State Development and Trade.

The prestigious award included the CSIRO ICT Centre offering a free two day consultation to the value of \$7,500 and a 2012 AusInnovative and CeBIT access to the value of \$2,500.

Industry Recognized Interactive Training Programs for the Mining and Manufacturing Industries

Congratulation to the List Premier team (from left to right: Maria De Beer, Frederick Volschenk [Business Development Manager] Johann De Beer [Executive Chairman], Pieter-Jan van Driel [Principal Sales Engineer], and then Johannes De Beer [Production Supervisor of Mining and Technical Programs])

On the 8th of December it was announced that List Premier Education is a Finalist for the National Australian Export Awards.

Business Development

List Premier has developed a wonderful new business relationship with the Indonesian Education Department and has supplied English Grammar and Science Programs to hundreds of primary schools in the last month.

List Premier wish to express our gratitude to the Indonesian government for the wonderful opportunity and in particular List Premier wish to thank Mr. Harry Lo, the President and CEO of PT Offistarindo Adhiprima for his tremendous support, guidance, and vision.

There is also a great interest in our Mine Program from Indonesia, South America Mines and African mines.
